THE NEWS

JUNE 19, 2014

News from National

Troy, MI: Dave Thornton reports:

- The new NMRA website will be rolled out during the National Convention
- There is the possibility of holding an impromptu North Central Region Convention in the Traverse City area in the fall since
 - There will not be a NCR convention this fall
 - There is the possibility of a new Division forming in the area

AP Certificate Earned

Troy, MI: Larry Wolohon (left) presents Bill Moore with the AP certificate for Model Railroad Author. Congratulations, Bill

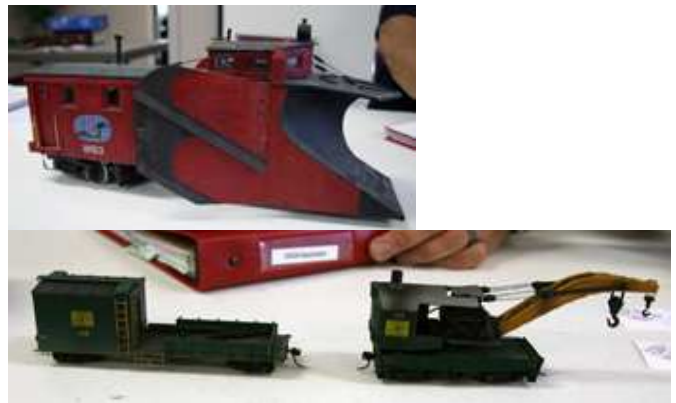

The Winners

Troy, MI: It was a tie! Winners of the Model of the Second Quarter 2014 were Rick Ware (left) and Bill Moore (right). Larry Wolohon presents the certificates.

Rick's MOW entry was a snow plow in G scale while Bill's was a crane and tender in HO scale.

Model of the 3rd Quarter 2014

Troy, MI: Bill Gawthrop announced that there will be no Model of the Third Quarter 2014. This is due to the summer full of many family activities, the NMRA National Convention, etc.

There will be a Model of the 4th Quarter 2014 Contest. Stay tuned for details.

Guests

Troy, MI: Welcome Rick Horn and Terry Lack. They are guests of the Division 8 at this evening's meeting.

Rick became a member at the meeting.

There will be no July 2014 division 8 meeting due to the NMRA National Convention occurring during our regular meeting date / time.

Show & Tell

This Month's Theme was Penn Central or Heritage Railroads

George Anderson brought in an HO scale NYC box car and New Haven Historical materials.

Jim Zinser offered a Pennsy hopper in HO scale with the slogan "Coal Goes to War." This slogan was popular during World War II.

Tom Dart displayed a super-detailed flanger. The model is brass and is in HOn3 scale.

John Gavasso brought in a Penn Central caboose in HO scale.

Phil Doolittle offered:

- A New York Central 2-6-0
- NYC observation car
- Video of the New York Central

Phil Kenyon brought in an N gauge Pennsy RS-11 in green livery.

CAR HOUSE

June 19, 2014

Ron King offered two Pennsy GP7's in HO scale. Both locomotives are by Athearn Genesis. The units are weathered and include super details by Cal-Scale. Ron also offered a Pennsy N-5 caboose by Bowser. The caboose too is weathered and includes extra details.

Bill Gawthrop displayed a PRR GP30 with extra details. He also displayed a heavily weathered Penn Central GP38-2. Both models are in HO scale.

Rick Ware displayed a Chicago, Kalamazoo & Saginaw box car in HO scale. The CK&S was a part of the New York Central. This model was sold by a western Michigan club or an NCR Division.

Fred Cosgrove brought in an HO scale models the Pennsylvania MP-54 in HO scale. This piece of commuter passenger equipment was offered in coach, combine, and full baggage with some cars done as trailers.

Terry Bossick brought in a pair of New Haven E-33 electrics. The models are 60 years apart as the model in the rear in the photo is a Lionel offering in the 1950's and the other is a Bachman model of 2010.

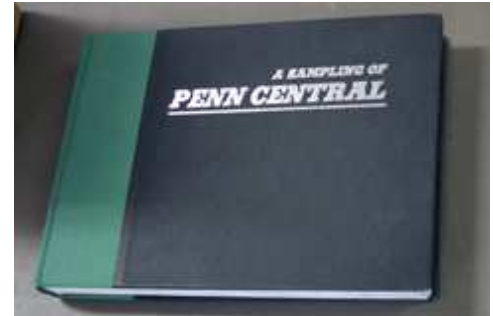

Saul Kalbfeld offered a magazine article about the 75th anniversary of the Los Angeles Union Station. He also offered a NYC U25B and FJ&G GE 40 Tonner, both in HO scale.

Larry Wolohon brought in an O scale NYC USRA-design steel box car and an O scale Pennsy X-29 box car.

Dave Thornton brought in a book entitled "A Sampling of Penn Central."

CAR HOUSE

June 19, 2014

Gene Kome offered photos of a Pennsylvania Railroad K-4 Pacific.

Phil Kenyon displayed a PRR duplex sleeper "Charters Creek." The prototype was a combination of 2-level staggered roomettes and sectional berths. The HO scale model is by Rapido and includes battery lighting controlled by a magnet.

Please forward any and all erratta to Bill Gawthrop, Car House editor at wegawthrop@aol.com. Virtual tomatoes are also welcome..... it's part of our quality improvement.....

June Clinic

The June clinic was given by Lewis Hoy former employee of the Pennsy, Penn Central and Conrail. Lew offered a detailed view of the formation of the Penn Central and the subsequent involvement into Conrail.
